We like to send out our coolers on Mondays with Dry Ice and/or Ice Packs using UPS Ground.

Below are *estimates* to ship our perishable items, including cost of styrofoam cooler, handling, dry ice/ice packs, and UPS ground shipping fees (for anywhere in the 2-4 day shipping areas). Cost of product to put in the cooler is not included below. Amount of meat that fits in the coolers may vary depending on how well it packs in the cooler.

Cooler that holds about 4-5 lb of meat.	\$60-\$67
Cooler that holds about 7-8 lb of meat	\$70-\$80
Cooler that holds about 12-15 lb of meat	\$85-\$95
Cooler that holds about 25-50 lb of meat	\$160-\$180
Cooler that holds about 50-70 lb of meat	\$180-\$200

These estimates should be close to your price, but if you would like a more specific quote including your items, and exact location we are shipping to, please call us!

Use the chart below to see how long it will take the product to get to you once shipped. The map only estimates the timeframe.

Although we will do what we can to get packages shipped out on time, we cannot guarantee that packages will not be delayed due to weather, or unforeseen circumstance that UPS may face.
