Product Containing Gluten

Gluten is not currently classified among the FDA's "Big 9" major allergens and is therefore not subject to formal allergen control protocols within our facility. However, certain products are known to contain gluten, and others may be subject to incidental cross-contact due to shared equipment or preparation areas. Ingredient data is sourced from suppliers and may be subject to change. Individuals with gluten sensitivities or celiac disease should exercise caution and consult with our team for product-specific information.
